SPRING TERM PRAYER DIARY

February 2nd – April 3rd 2009

Dear Friends,

You will notice that, in an effort to reduce our waste and protect resources, we have amalgamated the lesson and emerge prayer diaries. Hopefully this won't be too confusing as your prayer is so important to us. We have seen amazing results this term – we have new contacts now in Hylands and St Peter's and we are hoping to begin delivering lessons soon. We have also asked for prayer for each individual school on specific days
